A convoy of 8 trucks, including 25X1 occupied to capacity by troops, 10 half-track armored personnel carriers, each towing a 100-mm AT gun and mounting an AA machine gun, 3 trucks, including field gun and 5 trucks, including 25X1 each towing a ZIS-3 76.2-mm 25X1 each towing a 57-mm AT gun, were seen in Brandenburg (N 53/K 23), coming from the direction of Rathenow on 1° March. Two trucks had a radio set with a rod antenna. The sets were each operated by one man with headphones. The convoy was followed by T-31/85 tanks 25X1 25X1 25X1 6. Hine new trucks and trucks / 25X1 coming from the railroad station were seen entering the Maerkisches blektrizitaetswerk in Aberswalde (N 53/V 08) on 18 March. Thirty-five new trucks were unloaded at the station on 18 March and 40 on 21 March. They were not seen leaving the station. Trucks 25X1 were seen at the station on 21 March. (7) 25X1 7. A train carrying 6 T-34 tanks 25X1 25X1 SU-249 SP guns and about by trucks, 25X1 25X1 was seen standing at the Doeberitz railroad station ready for departure at 2:30 p. m. on 21 March. 25X1 (8)Five T-34 tanks and 5 trucks, including 25X1 were seen driving from Strelitzer Strasse to the Meustrelitz (N 54/V 54) railroad station to be loaded there on 21 March. (9) 25X1 25X1 25X1 Comments This information indicates that the troop training grounds in Templia will be occupied in April as in 1951. 25X1 (\day) This information cenfirms that, prior to mid-March, the troop training grounds in Templin were occupied only by detachments quartered there 25X1 for short-term practices. Lieutenant Colonel Zemyrnov (fnu) is known as administrative officer of a tank unit in 25X1 Oranienburg.

| (8) | this unit belongs to the 1st Hecz Div, was entrained. | 25X1 |
| (9) | The presence in Newstrelitz of units of the division possibly accounts for the observation of several trains of the division during the period from 10 to 21 March 1952. One train was seen passing through Oranienburg in the direction of Lowwenberg on 16 March 1952. | 25X1] |
| | It is conceivable that units of the division participated in a field exercise in the area of Lychen-Rutenberg. | 25X1 |
